# A MESSAGE FROM THE CHAIRS

**On behalf of the organising committee, we would like to invite you to join us for the eighth International Conference on Nanoscience and Nanotechnology (ICONN 2024).**

ICONN is the largest biennial Australian conference series in the field of nanoscience. Since the inaugural conference was held in Brisbane in 2006, ICONN has seen success in cities all around Australia, including Melbourne, Sydney, Perth, Adelaide, Canberra and Wollongong.

In 2024 ICONN will feature a diverse array of multidisciplinary talks designed to connect world leading scientists, students, engineers, industry participants and entrepreneurs working in the field of nanoscale science and technology to discuss new and exciting advances in the field.

The theme of ICONN 2024 is Innovate, Collaborate, Commercialise. The conference will bring together our whole international nanoscience and engineering community encompassing all academic career levels through to industry, venture capital and regulatory specialists and all points in between. Across symposia topics of electronics, photonics, quantum, bioengineering, computation and energy, it will encompass all aspects from fundamental to the applied fuelled by academia-industry collaborations.

Industry partners and delegates will be able to network across the various sessions and events in the exhibition space with opportunities to show case new products, technologies and services via lunchtime and breakout workshops as well as participation in panels that will form part of each themed symposium.

We invite you to be a part of ICONN 2024, where you will meet world-leading scientists and learn of the latest trends in this exciting and dynamic field. Thank you for considering the opportunities outlined in this prospectus. We look forward to connecting with you at ICONN 2024.

Sincerely yours

**Professor Sally  
McArthur FTSE**

**Professor Madhu  
Bhaskaran FTSE**

# ICONN 2024 THEMES

ICONN 2024 will explore the deep pipelines we require to translate nanoscience research into high impact commercial products and services, on a different stage in the journey, enabling researchers, industry, regulators and suppliers to come together to investigate how they can collaborate to build successful outcomes.

## DAY 1 - INNOVATE

Explore how fundamental research and development build our insights and develops the breakthrough science and engineering as well as the tools to characterise and fabricate new materials, systems and devices.

## DAY 2- COLLABORATE

Focusing on our on multidisciplinary collaboration and research that bridges industry need with deep technology insights. We will explore how our different sectors and partnerships drive everything from fabrication and characterisation at scale through to training and the translation of research into industry applications.

## DAY 3- COMMERCIALISE

The challenges and opportunities for deep tech commercialisation and effective research translation will be explored across the programme, exploring how global partnerships, VC funding and researchers are building the next generation of nanotechnologies across fields as diverse as quantum through to biotechnologies.

# EVENT PROGRAMME

Our programme offers something for our entire international nanoscience and engineering community encompassing all academic career levels through to industry, venture capital and regulatory specialists and all points in between.

You may choose to follow a specific application domain across the programme which include electronics, photonics, quantum, bioengineering, computation and energy or select a diverse range of manufacturing, characterisation or fabrication themes. We will have opportunities for everyone to join in with activities to learn new skills, gain insights into our global ecosystems, funding and regulatory environment. We will have opportunities for industry and researchers to meet with prospective employees and of course have everyone in person to network and connect with the fantastic people that form our community across the globe.

# TERMS AND CONDITIONS

The following terms and conditions apply to your contract as a partner and/or exhibitor at International Conference on Nanoscience and Nanotechnology Conference 2024.

## THINGS YOU NEED TO KNOW

- You (partnering/sponsoring/exhibiting organisation) by completing the sponsorship booking form or the exhibition booking form accept these Terms and Conditions.
- We/Us (MCI ABN 76 108 781 988) representing the Organising Committee and the Host Body do not accept responsibility for any errors, omissions or changes.
- Details may change without notice. Please refer to the website (<https://iconnference.com>) for the latest information on ICONN 2024.

## SERVICES

- All Services will be provided based on the information and specifications supplied by you. All information that we provide is supplied in good faith, but we do not warrant or guarantee the accuracy or completeness of any information provided by us or any third party. It is not within the scope of our obligations to enquire as to, or to verify, the accuracy of completeness of information that we receive from your or any third parties.
- The Services and Deliverables specified in previous conversations are indicative only and may be amended by us from time to time. While we will use all reasonable endeavours to deliver the features and functionality specified therein, nothing in this Agreement prevents us from amending the Services at any time during the event delivery.
- We will use reasonable endeavours to provide the Services promptly or by an applicable Delivery Date or such other dates as agreed by the parties in writing. Any Delivery Date or time quoted for delivery, commencement or completion of any part of the Services is an estimate only and time will not be of the essence.

## YOUR OBLIGATIONS

- You acknowledge that our ability to be able to provide the Services to you without delay or interruption is dependent on your full and timely cooperation. You will (and will ensure that the Authorised Users will):
  - Co-operate with and assist us in the supply of your content
  - Promptly provide us with full and accurate information, data and explanations as and when required;
  - Comply with applicable laws and regulations (including the General Data Protection regulation ("GDPR") with respect to user privacy, data collection, data retention, data transmission, data storage and the use of cookies
  - Comply with all reasonable directions and guidelines from us as advised from time to time.

## FINANCIAL FACTS

- Phone or unpaid bookings will not be accepted.
- We will issue a tax invoice which is payable within 14 days. If you miss the payment date, any time dependent discounts will be forfeited — i.e. you will be billed at the next highest level (early rate to standard, etc.).
- You will not receive any partnership or exhibition entitlements, including allocation of booth location (allocated in order of partnership/exhibition level) until all monies have been paid.
- All prices are quoted in Australian dollars and exclude GST.
- Payments can be made via electronic funds transfer (EFT).
- If you pay by electronic funds transfer you agree to pay any bank charges and must include these in the amount you transfer.
- If you pay via credit card a processing fee may be charged.
- In no event will MCI Australia/ICONN 2024 be liable to you or any third party for any:

## CANCELLATION

- You must notify us in writing if you need to cancel.
- Cancellations received prior to 31 July 2023 will be refunded 50% of the total investment amount
- Cancellations made after this date will not be refunded.
- Your non-payment does not cancel your contractual obligations to us.

- No exhibitor shall occupy allocated space until all monies owing to the organiser by the exhibitor are paid in full.
- In the unlikely case that the event cancels, ICONN 2024 will refund your full financial investment minus any expenses incurred to date of the cancellation. This includes, but not limited to, any costs for your programme involvement and any promotional exposure up until the time cancellation occurs.
- In the unlikely case that the event postpones or changes format significantly from what is outlined in this prospectus the extent of refunds will be a matter for the Host Organisation (the underwriter) to decide. ICONN 2024 will forward requests for annulment of contract or refund to MCI Australia for arbitration.

#### YOU AND YOUR STAFF ONSITE

- Your application to sponsor does not constitute an attendee registration. You will need to do that separately.
- All exhibition staff must be registered online—i.e. complimentary exhibitor/partner registration, or by purchasing additional exhibitor/sponsor staff registrations.
- Your application to sponsor does not constitute an attendee registration. You will need to do that separately.

#### PRINT + PROMOTIONAL ENTITLEMENTS

- Logos and other printed material may, at our sole discretion, be reproduced in colour (where possible), OR the nominated meeting spot colour/s OR mono depending on the method of production.
- The sponsor must provide suitable material to meet our publication requirements and deadlines.
- Please provide all material at 300 DPI at 100% in jpeg (preferred for website) AND eps (preferred for print) format including, where possible, RGB or Pantone colour equivalents.
- Where applicable, advertisements are to be supplied by the sponsor.
- No print or web recognition will be given unless payment terms have been met.

#### NON-SPONSORED FUNCTIONS

- To seek approval to host an un-endorsed but approved satellite function, please share with the conference secretariat the following details for review and approval by the conference organisers:
  - Function name
  - Location
  - Date/time
  - Expected attendee numbers
  - Function objectives/content summary
- Proceeding with running unauthorised function in competition with the conference will be seen as hosting a pirate symposium.

#### PRIVACY STATEMENT

Your name and contact information, including electronic address, may be used by parties directly related to the event such as the organisers and approved stakeholders, for relevant purposes such as promotion, networking, and administration of this, and future events of this type. If you do not consent, please advise us. In addition, your name, organisation, and country/state of origin may be published on the delegate list which is provided to delegates, exhibitors, and partners at the event.
